## CHAPTER \_\_\_\_\_

An act to add and repeal Section 10360 of the Public Contract Code, relating to public contracts.

## LEGISLATIVE COUNSEL'S DIGEST

AB 524, Chan. Public contracts: offshore jobs.

Existing law authorizes the Department of General Services, or any other department with authority as specified, to enter into contracts for services, as specified.

This bill would require the department, until January 1, 2009, when any portion of a public contract for services will be performed by subcontractors or employees outside of the United States, to require from all successful bidders the completion of a standard form of questionnaire including a complete description of any or all portions of the contract that will be performed by subcontractors or employees outside of the United States and the percentage of the entire contract that the work to be performed outside of the United States represents.

*The people of the State of California do enact as follows:*

SECTION 1. Section 10360 is added to the Public Contract Code, to read:

10360. (a) When any portion of a public contract for services will be performed by subcontractors or employees outside of the United States, the Department of General Services shall require from all successful bidders the completion of a standard form of questionnaire that includes a complete description of any or all portions of the contract that will be performed by subcontractors or employees outside of the United States and the percentage of the total contract that represents the work to be performed outside of the United States.

(b) This section shall remain in effect only until January 1, 2009, and as of that date is repealed.

Approved \_\_\_\_\_, 2005
